On the buffet table you'll find a good mix of Russian and European cuisine. So, grab a plate and taste a little bit of everything, or at least give it a try!

SUBSTANTIAL LUNCH

From the earliest times Russian people attached a great importance to soups, no lunch could be served without one. Soup was honored as "the most nutritious meal". For example, Ivan the Terrible just loved eating scalding schi (cabbage soup), and till now schi remain the most famous Russian soup. Altogether there are several thousand recipes of soups, but we chose the most popular and delicious to offer you during the lunch on board!

The choice menu will allow you to pick the dishes you prefer: it can be succulent meat, delectable fish or scrumptious vegetables, one of famous Russian soups or European cream soup, ice cream, season fruits or luscious cake for dessert.

EXQUISITE DINNER

Every dinner on board the ship will turn into an interesting entertaining activity! It can be a birthday, when you can congratulate your fellow-travelers celebrating this significant day during the cruise, or pirate dinner when thanks to your bravery and talent the pirates will be defeated.

You'll also have a chance to try traditional Slavic and Russian dishes, our high-professional waiters, dressed in national costumes will be happy to serve them for you! Food, decorations, and other paraphernalia create a special atmosphere so that you can imagine yourself being a guest of Russian esquire in XVIII century!

The culmination feast is the Captain's dinner, when a special menu will be presented. Onboard cooks always do their best, but this special day they'll surpass themselves so that you'll remember this dinner for a long time!

PIRATES' DINNER

They say that "where there is a sea there are pirates". Can that be applied to a river? Aren't there cruel river pirates who are after power and money. Could be... BUT...

What is it like to be a river pirate from perhaps the most controversial country of all called Russia?

Russian pirates do have corsairs, they run around with the Jolly Roger waving in the air, however, they aren't seeking wealth, they don't want treasures. THEY are looking for talents...

Taking you, the chief cook and your dinner hostage they won't let you have your meal unless they get treated to a song or a dance.

No one but you will be able to rescue the meal. Show how gifted you are and ... YO -HO -HO!

RUSSIAN TEA CEREMONY

Since its introduction early in the seventeenth century, tea has become the Russians' favorite drink. The tea ceremony has become not only a cultural tradition but also has developed into a strong communicational bond for the society. Enjoy Russian tea, prepared in traditional "samovar", listen to live music played by our folk band and finally learn some dancing moves!

Don't you know that dancing party always followed tea ceremony in tsar's Russia?
